

# FIT4NANO student financial support

Combined FIT4NANO EuFN workshop 2021

The COST Action CA19140 FIT4NANO will provide support for students of the Action to join the combined FIT4NANO/EuFN workshop in Wroclaw, Poland from September 27<sup>th</sup> to September 30<sup>th</sup>. The aim of this measure is to increase the number ECI investigators present at the workshop and in this way support knowledge transfer from established researchers to young FIB enthusiasts.

## 1 Conditions

- Only students from Participating COST Full Members / COST Cooperating Members are eligible.
- The students need to submit an abstract for the combined EuFN/FIT4NANO workshop 2021 in Wroclaw.
- A selection committee composed from members of the different Action WGs

under the lead of the Action vice-Chair Maja Popovic will evaluate the proposal.

## 2 Support

- The amount of the support will depend on the available funds at the time of the presentation acceptance.
- Students need to create an e-COST profile at <https://e-services.cost.eu/user/registration/> email to be able to receive the financial support.
- The support will consist of a daily allowance ( $\approx 100\text{€}$ ) and travel support (distance dependent, up to 350 $\text{€}$ ).
- Please see the regulations outlined in the COST Vademecum in particular section 4.2 and 5 on eligible cost types.

For questions please contact Maja Popovic or Gregor Hlawacek.
